STUDY UPDATE

The New Mexico Department of Transportation is hosting an In-Person Public Meeting to discuss the US 60 Alignment Study: Milepost 325 – 383 (Ft. Sumner to Clovis) in De Baca, Roosevelt, and Curry counties. The purpose of the study is to improve traffic operations and safety on US 60. The study team has gathered data, processed the public and stakeholder input received, and evaluated in detail four alternatives. During the meeting, the team will share their findings and recommendations. Please join the meeting, learn more, and share your questions and comments with the team.

WHEN: Wednesday, September 11, 2024

Starting at 6:00 PM

WHERE: Melrose City Hall

108 Avenue B

Melrose, New Mexico 88124

NEXT STEPS

Following the close of the comment period, the study team will complete detailed evaluations, select a preferred alternative, and hold additional public meetings in Winter 2024/25. The draft and final Phase IA/B report will be prepared in Spring 2025.
